Dear Members of Shridi Saibaba Prayer Center,

Kinship wishes to thank you for your generous donation of \$500.00 toward helping families who participate in the Kinship mentoring program to have a brighter Christmas. This donation covers 10 people with wonderful gifts and the knowledge that others care about them. Our parents and guardians struggle with not being able to financially provide presents for their children on Christmas day. The true meaning behind Christmas is not about presents but the gift of love toward others and you have demonstrated that with your generous donation.

Memories of your generosity will be remembered throughout the year.

Once again many thanks.

Sincerely,

Penny Kallas
Program Director
