Dear Members of Shridi Saibaba Prayer Center,

Kinship wishes to thank you for your generous donation of sponsoring multiple families totaling over 20 people with your donation of \$1000.00 for the 2008 Christmas season. Your generosity goes a long way toward helping families who participate in Kinship mentoring program to have a brighter Christmas. The joyous time of Christmas is often overshadowed with the stress of not financially able to provide any presents for their children. Although we know that the real reason for Christmas is not about gifts and presents we also understand how difficult it is for families struggling financially to not want to enjoy those niceties.

Your generosity has made this possible and relieved a lot of stress. On Christmas day your "presence" will be in the living rooms of those families you have helped by showing your love for others.

Once again, thank you for your generosity.

Sincerely,

Penny Kallas
