**Our Mission:**

**To End Hunger Through  
Community Partnerships**

Dear Satya,

On behalf of Second Harvest Heartland and those we serve, I would like to thank you for your contribution of \$2,343 collected during your recent Fund Drive. This equals 8,434 meals for those who are most vulnerable. Thank you for helping us ensure there's **no more missing meals** in our community!

Recently, the headlines have been filled with news about continued job losses and increased demand for food emergency support. Times are tough for many of our neighbors. But thanks to loyal supporters like you, **Second Harvest Heartland has distributed 40% more food** compared to this time last year. We couldn't do this important work without you.

Yes, there is hope behind those headlines. I hope in the faces of those who have been helped as a result of your generous support. When you support hunger relief, you're helping ensure that children receive the nutrition they need to develop strong minds and bodies, that seniors remain strong and independent, and that working families can better manage ever-stressed family budgets.

**Where there is help, there is hope.** When you support hunger-relief today, you're ensuring that there is continued support for our neighbors who are being served today. You are also helping guarantee that Second Harvest can reach out to those neighbors who will seek help tomorrow.

Thank you for your partnership in helping us achieve our mission to **end hunger through community partnerships**. We have never needed your support more. With your continued support, Second Harvest Heartland will be able to bring even more food to those children, seniors, and working families who are hungry.

Sincerely yours,
