Our Mission:
**To End Hunger Through
Community Partnerships**

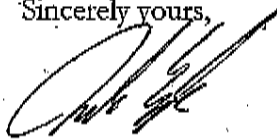

Dear Satya,

On behalf of Second Harvest Heartland and those we serve, I would like to thank you for your contribution of \$2,758 collected during your recent Fund Drive. This equals 11,032 meals for hungry children, seniors and families in our neighborhoods.

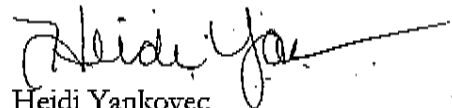

Your commitment and partnership is a shining example of the highly charitable atmosphere in the Midwest. You support hunger relief because you believe, as we do, that ending hunger is simply the right thing to do. Research suggests that our work goes beyond charity, as study after study demonstrates the high cost of hunger, not just for those who struggle to have enough to eat, but for our community as a whole.

Thank you for your partnership in helping us achieve our mission to **end hunger through community partnerships**. With your continued support, Second Harvest Heartland will be able to bring even more food to those children, seniors, and working families who are hungry.

Sincerely yours,

Rob Zeaske
Executive Director

*Thank you,
Satya!*
