

# Sai Satya Vrata – March 5<sup>th</sup>, 2006

Shraddha

Saburi

With the inspiration and blessings of Sadguru Saibaba of Shirdi, and the support of Sai devotees, Shirdi Saibaba Prayer Center is performing Sai Satya Vrata Puja, on Sunday March 5<sup>th</sup> at Shirdi Saibaba Prayer Center, Hopkins MN.

Readers of Sri Sai Satcharita are aware of the following incident mentioned in the Chapter 13. One Bhimaji Patil of Narayanagaon, Taluka Junnar, Dist. Poona, suffered in the year 1909 A.D. from a severe and chronic chest-disease, which ultimately developed into tuberculosis. Lord SaiBaba cured his disease through two dreams. He then often came to Shirdi, gratefully remembering what Baba did for him, and prostrated before Him. **Baba also did not expect anything from devotees, but grateful remembrance, unchanging faith and devotion.** It was Bhimaji Patil who started the Sai Satya-vrata Puja at his home and many devotees perform the Puja even today.

Today, Sai devotees around the world on important occasions, in remembrance of the ample grace that Baba has showered on them, or invoking His grace to fulfill their needs, perform this Sai Satya Vrata pooja. We request all Sai bandhus to join in this Samoohika Sai Satya Vrata, and invoke Baba's grace, on each of us individually, and also the Sai community in the Twin Cities by blessing us with a permanent prayer center.

Devotees / devotee families can take part in the Sai Satya Vrata Pooja, by paying \$51 towards the sponsorship. Please note that all proceeds go towards the Permanent Shirdi Saibaba Temple in Twin Cities area, Minnesota. Thanks to everyone for their continued support to Sai activities in Twin Cities, Minnesota.
